Docket No. 274.
Arizona Corporation Commission

In the matter of the investigation by the Arizona Corporation Commission upon its own initiative into the lawfulness of the rates and charges of the Mountain States Telephone and Telegraph Company in Flagstaff, Arizona.

NOTICE AND ORDER

It Appearing, That the Commission did, on July 27, 1914, issue an order directed to the Mountain States Telephone and Telegraph Company, requiring them to appear before the Commission on August 12, 1914, to show cause why the Commission should not issue an order modifying Special Order No. 19 issued October 22, 1912, changing the Flagstaff, Arizona, telephone exchange from "A" class to "B" class; and

It Further Appearing, That by petition filed August 6, 1914, The Mountain States Telephone and Telegraph Company requested a considerable extension of time beyond August 12, 1914, in which to comply with the order of the Commission; and

It Further Appearing, That informal complaint was filed by the Common Council of Flagstaff on May 4, 1915, wherein it is alleged that the rates then being demanded and collected by The Mountain States Telephone and Telegraph Company for telephone service in Flagstaff are exorbitant and "prohibitive to the general welfare of the town;" and

It Further Appearing, That the Commission in its Special Order No. 19, Docket No. 8, issued October 22, 1912, approved certain classifications of towns and cities within Arizona, including the Town of Flagstaff, and that in said Special Order No. 19, the Commission stated: "We are of the opinion that any schedule of rates provided for at this time for universal consolidated service must necessarily be arbitrary in its nature and therefore should be made conditional and for a stated temporary period," and that its said Special Order No. 19 was limited to January 1, 1914; and

It Further Appearing, That the Commission should, upon its own initiative, make investigation and determine and prescribe reasonable rates for telephone rental and service to be made and charged in Flagstaff and vicinity; notice is hereby given and it is ordered:

NOTICE AND ORDER
Notice is hereby given to the Mountain States Telephone and Telegraph Company, and all interested, that the Commission will, at ten o'clock A. M., on September 22, 1915, at the court house in Flagstaff, Arizona, hold a public hearing and make an investigation of the rates, charges, service and property of the Mountain States Telephone and Telegraph Company, embraced within the exchange limits of the City of Flagstaff, and will thereafter and upon the evidence adduced at such hearing, issue such order or orders as the circumstances and conditions appear to require.

The following communication was presented and read:

"The Honorable Mayor and Common Council, Town of Flagstaff, Arizona.

Gentlemen:

I beg to write you with reference to the construction work or cut on San Francisco Street between Dale and Cherry Avenues. The purpose of this letter being to ascertain the attitude relative to the payment to the contractor for the work done, and other advice. When the notice was given for the reception of bids by the town engineer, the notice read that bids would be received for that certain construction work in the town of Flagstaff, being the opening of San Francisco Street between Dale and Cherry avenues and would consist of the moving of approximately 500 cubic yards of dirt and rock, estimated to be about 250 yards cut and 250 yards fill. Relying wholly on this estimate Mr. G. H. Sletor put in a bid of \$475.00 for the work based on the estimate of the town engineer, he figured with the wasting of the dirt in the fill he could do this work at 95c a cubic yard. As you know his bid was accepted and he entered into a contract with the town after which the town engineer set grade stakes and the contractor began work.

Mr. Sletor has worked faithfully on this work and has removed something like 1200 cubic yards of dirt and rock out of this cut.

Sometime ago he notified some member of the council that the work had already run over the town engineer's estimate and that he expected to be paid for every cubic yard of dirt and rock removed over the estimate made by the town engineer, at the rate of 95c a cubic yard. Some three or four weeks ago he notified the town engineer in person that he would have to have new grades before he could complete this work, and since that time has constantly given notice to the town engineer, members of the council and to the mayor, of the necessity of having new grades and one was a written notice, to all of which the town engineer has turned a deaf ear and has absolutely failed to make new grades, on account of which the contractor has been delayed in the completion of this work and in addition to that has lost many contracts for sidewalks and other work to his great damage. He feels that this is unjustifiable and the delay wholly was caused by the negligence of the town engineer, whether intentional or otherwise he does not know. He does not doubt the sincerity of the mayor and the town council with respects to payment but he very much dislikes to be indefinitely held back in the completion of this work and begs your advice in the matter.

It will take something like \$100.00 for extra labor in the completion of

this work and respectfully asks if the Honorable Mayor and Town Council, acting for the town, will designate and set aside the sum of \$200.00 to be used in the completion of this work, same to be deducted from the total amount on final settlement.

Mr. Sletor is a poor man and it would inconvenience him very much to be compelled to have to raise the money to complete this work.

Awaiting your early reply, I beg to remain,

Very respectfully yours,

(Signed) Mercer Hemperley.

Moved and carried that the above communication be referred to the town attorney.

Councilman Switzer retired from the meeting and did not take any further part in the proceedings.

The following ordinance was presented for passage:

"An ordinance repealing Ordinance Numbered 8, and enacting the following in lieu thereof: 'Relative to the carrying of concealed weapons within the limits of the town of Flagstaff.'

Moved and carried that the above ordinance be adopted. Said ordinance to be known as Ordinance No. 171.

The following ordinance was presented for passage:

"An ordinance prohibiting the sale of, bartering or giving of liquors or alcoholic beverages of any kind whatsoever within the limits of the Town of Flagstaff."

Moved and carried that the above ordinance be adopted. Said ordinance to be known as Ordinance No. 172.

Moved and carried that the salary of the town clerk be increased twenty-five dollars a month, the same to be charged to the general fund, commencing the following month. The office of the town clerk shall be kept open on Saturday afternoons.

The profile of map of lands in the Townsite of Flagstaff, situated North of Phoenix Avenue, and between the right of way lines on the south and west sides of the right of way of the A. T. & S. F. R. R. west of Sitgreaves Street shall be known as Block IV.

Moved and carried that the salary profile of map be adopted.

The profile of map of Block 3K, of the Town of Flagstaff.

Moved and carried that the above profile of map be adopted.

There being no further business the council adjourned to meet in special session July 6th, 1915, at that time the "Notice of the Reception of Bids," for cement sidewalks and concrete paving will be acted upon.

Approved, J. W. FRANCIS,
Mayor Town of Flagstaff.
